I WAS BORN HERE

About Us

Mahawar Alloys, Mandi Gobindharh (An ISO 9001 : 2015 Certified CO.), the promoters of DATASHYNE colour coated roofing sheets has ventured as the premier enterprise with the professional know-how in distributing and supplying a wide range of steel products as the leading distributors of JYOTI TEMPCORE, angles, channels and other finished goods establishing its roots since 1990.

Mahawar Alloys, Mandi Gobindgarh has attained a huge clientele across the region. Excellent management skills, deep rooted industrial experience and vast knowledge of this domain has helped us in attaining a commendable position in the market. To serve nation in providing roofing solutions and paving the way for nation's development as global super power. Mahawar Alloys, Mandi Gobindgarh has now introduced DATASHYNE COLOUR COATED ROOFING SHEETS - The complete roofing solution.

DATASHYNE Hi-Rib Trapezoidal Profile colour coated sheets, are made by using Alu-Zinc Coated Sheets (PPGL) / Pre-painted Galvanized Sheets (PPGI) as the raw material combined with a high quality imported production line. Studded with features like high strength, superior heat resistance DATASHYNE colour coated sheets prove worthy for the consumers. Aesthetically attractive spectrum of colours, easy to install makes it the first choice of the architects to model your dream structure. Catering the large scale market demand whether residential or commercial or projects DATASHYNE colour coated sheets pledge to provide the real value for your money.

I BELIEVE

Quality Vision
